| What kind of facility is it? | We manage and operate Aitopia, a comprehensive welfare center that is Toyohashi City's new welfare base and opened on January 27, 2004. In addition to a multipurpose hall and training rooms, the center also houses the association's secretariat, a volunteer center as a base for volunteer activities, a family support center, and a welfare information corner.                                                                                                                                                                                                                                                                                                 |
| Opening hours                | 9:00~21:00                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| Closed days                  | Every Monday (or the following day if Monday is a public holiday), New Year's holidays                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| When you want to use         | Please call the center if you wish to use it.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
